

Questions with Kyle Sunday school class

For the next month, *Questions with Kyle* continues to tackle the Beatitudes, from **Matthew 5**.

This weekly Sunday school class for adults is led by Lead Pastor Kyle Goodman.

We would love for you to join the class! It meets **from 9-9:40** on **Sunday mornings before worship**, in the Parlor — just off the Gathering Room, across from the kitchenette.

March 1: Blessed are the merciful?

March 8: No meeting

March 15: Blessed are the pure in heart?

March 22: Blessed are the peacemakers?

March 29: Blessed are the persecuted?

Coming up after Easter: Another round of "Does the Bible really say that?"

Some passages are hard for us to make sense of, or to understand. This discussion-style class attempts to bring a better sense of comprehension to Scripture.

March Special Offering

On behalf of the Wycliffe ministry of
Jesse & Erin Atkinson (Samuel, Amos, & boy #3 due any day!)

Serving in Oaxaca, Mexico

WHAT WE DO:

We serve in the indigenous Zapotec community of
San Dionisio Ocotepec, Oaxaca, Mexico.

Our vision is to see them transformed by Scripture in the language that
best speaks to their hearts, Zapotec.

After completing our initial foundation phase of learning the language,
learning the culture, and building relationships, we're ready to begin
translating Scripture! We're now in the process of setting up the
translation team to start work.

Working alongside the community, we've also developed an alphabet, a
series of early literacy materials, a literacy app, and even a few hymns
in Zapotec.

Special Offering Goal: \$2500

(To pay the translation team's
wages as they begin work)
