

## Questions & Answers with Kyle

This Sunday school class for adults, led by Pastor Kyle Goodman, meets **every Sunday at 9a** in the Parlor. You are welcome to join at any time.

Here's a list of the topics:

**August 17, 2025:** *Artificial Intelligence Ethics*. A.I. is rapidly changing the way we work, communicate, and address everyday concerns. So, what are the boundaries? What are the guardrails? How should we use it — and what should we avoid?

**August 24, 2025:** *The Soul of Artificial Intelligence*. How does Artificial Intelligence challenge what Christians have typically believed about the human soul? What does it mean that we can have a conversation with an entity that is completely artificial?

**August 29, 2025:** *Social Christianity*. We all encounter the influence of social media, whether or not we are on Facebook, YouTube, Instagram, or Twitter. How is it shaping the way we think and believe? What are the dangers? How is it useful to the church?

**September 7, 2025:** Rally Day Breakfast

**September 14, 21, & 28, 2025:** *One Nation Under God*. What is the role of Christianity in our government today? What role did our nation's founders intend for it to play?

**October 5, 2025:** *Heaven*. What is heaven like? Is it anything like we imagine? Who is included? Who is left out? How has the Church understood it?

**October 12, 2025:** *Hell*. What is Hell like? Is it anything like what we imagine? Is it anything at all? Who goes there? How has the Church understood it?
