

Planning a Mission Trip for Fall, 2025:

Tommy Causey invites you to contact him with your interest in scheduling another work session with The Fuller Center for Housing's rebuilding efforts in Western North Carolina.

The Fuller Center for Housing, faith-driven and Christ-centered, promotes collaborative and innovative partnerships with individuals and organizations in an unrelenting quest to provide adequate shelter for all people in need worldwide.

After Hurricane Helene came ashore in Florida last September, the storm raced through western North Carolina, dumping torrential rainfall. The result was devastating flooding and mudslides.
