

Special Missions Offering for April, 2025:

The Fuller Center for Housing's
rebuilding efforts in Western North Carolina

The Fuller Center for Housing, faith-driven and Christ-centered, promotes collaborative and innovative partnerships with individuals and organizations in an unrelenting quest to provide adequate shelter for all people in need worldwide. "We rebuild homes for low-income, uninsured families impacted by major disasters; using volunteer labor and donated funds in an unrelenting quest to restore hope for the most vulnerable, and ensure affordable homes for future generations.

After Hurricane Helene came ashore in Florida last September, the storm raced through western North Carolina, dumping torrential rainfall. The result was devastating flooding and mudslides.

The Fuller Center is currently housing volunteers at Montreat Conference Center Hickory Lodge in Montreat, Blue Ridge Assembly in Black Mountain, and High Pastures Christian Retreat Center in Burnsville.
