

Celebrations and Concerns: July 19, 2026

For the safety of all US military personnel, do not use any form of electronic social media to post details of their service! You should not refer to them by their “go by” name, or mention their military rank, or where they are serving. You should not post any photographs that might reveal where they are, or what they are doing.

It is the policy of Alamance Presbyterian Church to respect the privacy of its congregation and its extended families. We only publish news about those who have given permission to share health information publicly. If we do not have permission to give details about a medical condition, **we will not print those details**. If we do not have permission to refer to someone by name, **we will not print that name**.
