November Special Offering:
The Shepherd Center of Kabale, Uganda

The Mission Ministry Team has designated the Shepherd Center in Kabale, Uganda to receive the November Special Offering for Missions.

The Shepherd Center of Uganda is a non-profit organization founded in 2007 by Patrick Tushabomwe, to rehabilitate street children.

More information about The Shepherd Center can be found on their website, https://theshepherdcenteruganda.org.

Lisa O'Brien Lubulwa, CTEN Missionary at the Shepherd Center, writes:

"Each year we host a Christmas party for our boys and their parents or guardians. It is always a nice time to celebrate the birth of Jesus, have a big meal, and send most of the boys off to a family member for the holidays. Some will be with their families just a few days, and others for a few weeks during their school break. Of course we have a few who do not have *any* family to go to, so they stay at The Kabale Shepherd Center.

"We like to send them with a food package during this season—because food insecurity is a big reason why the boys are unable to stay with family full time. We like to get them rice, posho (corn flour), beans, gnuts (ground peanuts for sauce), and meat.

"**We hope to raise at least $105 for each of our 58 boys** to cover the expenses for their Christmas gifts and food packages."

The gift package includes the following personal items, in addition to the food listed above:

1 sweater
2 shirts
2 tee shirts
1 undershirt
2 pairs of trousers
2 pairs of shorts
2 pairs of underwear
1 belt
2 pair socks
1 pair shoes
1 pair sandals
1 handkerchief

2 bars of soap for washing clothes
1 container vaseline
1 tube toothpaste
1 toothbrush

An envelope of pocket money, for the boy to spend as he wishes (typically about $1.50 USD)
