

February Special Mission Offering: Puerto Rico Mission Trip

This year, nine intrepid members of our congregation will travel to San Juan, Puerto Rico. They will work with Presbyterian Disaster Assistance rebuilding teams, on projects related to Hurricanes Irma, Maria, and Fiona.

As did the last APC group in Puerto Rico, this team will stay at La Casona de Monteflores. This volunteer host site for Presbyterian Disaster Assistance provided a safe, comfortable home-away-from-home for last year's team — who all heartily recommended it for this year's stay.

Your donations to the Special Mission Offering will help defray costs of transportation, accommodation, food, and all sorts of other costs associated with this work.
