

Mardi Gras Pancake Supper

in Brown Fellowship Hall,

6-7:30 p.m., Tuesday, February 21

This is a fundraiser for our Youth ministries.

Give what you can, for all that you can stand to eat. There will be thin, flat cakes of fried batter. There will be syrup. There will be sausage. There will be juice. There will be coffee. There will be festive jollity aplenty. There will not be bacon.

Puerto Rico trip: **May 28-June 3, 2023**

Hurricane Fiona impacted Puerto Rico and the Dominican Republic with torrential rain resulting in flooding, and powerful winds leading to widespread power outages.

Presbyterian Disaster Assistance remains committed to our siblings in Puerto Rico through Hurricanes Irma, Maria and Fiona's recovery — in addition to the January, 2020 series of earthquakes in the southwestern region. More than \$3.2 million in grants has gone to Puerto Rico, to support the work of congregations and local organizations responding to the disasters. Over 2,000 PDA volunteers have worked on rebuilding projects since 2017.

PDA is in touch with Presbyterian leadership in the presbyteries and synod of Puerto Rico, in addition to our international partners in the Dominican Republic. While assessments are underway, solidarity and initial assistance grants are being disbursed. As always, PDA will work alongside our partners for the long haul.
