

Questions with Kyle Sunday school class

This weekly Sunday school class for adults is led by Lead Pastor Kyle Goodman.

We would love for you to join the class! It meets **from 9-9:40** on **Sunday mornings before worship**, in the Parlor — just off the Gathering Room, across from the kitchenette.

Some Bible passages are hard to understand. It is not a weakness to admit that you can't make sense of everything in the Bible! The discussion-style class attempts to bring a better sense of comprehension to Scripture.

In **mid-April**, *Questions with Kyle* starts Round Two of its wrestling match with the age-old question:
"Does the Bible really say that?"
